OBJECTIVE :

Web Developer with 6.5+ years of experience in Shopify, WordPress, and e-commerce, including 3+ years in team leadership and managerial roles. Skilled in Shopify development, Figma-to-Shopify conversion, JavaScript, responsive UI, and project coordination. Currently expanding into full-stack development with React, Python, FastAPI, REST APIs, MongoDB, and AI API integration.

CORE COMPETENCIES :

- Shopify Theme Development
- Figma to Shopify Conversion
- React Development
- FastAPI & REST API Development
- JavaScript & Python
- MongoDB & Database Integration
- AI API Integration — OpenAI / Gemini
- Performance Optimization
- Responsive UI Development
- Team Leadership & Mentorship

FULL-STACK & AI PROJECTS:

BlogGen

React | FastAPI | Python | OpenAI/Gemini API | Vercel | Render

AI blog generation application built with React and FastAPI, integrating AI APIs to generate content based on user topics and requirements.

Resume Analyzer

React | FastAPI | Gemini API | MongoDB | Vercel | Render

Resume analysis application built with React, FastAPI, and MongoDB, using Gemini API for resume analysis and candidate recommendations.

Chatbot

React | FastAPI | Python | OpenAI/Gemini API | Vercel | Render

Astronomy planning application using React, FastAPI, APIs, and Gemini to provide weather, celestial events, and AI-powered stargazing recommendations.

WORK EXPERIENCE

Freelance Web Developer (Shopify & WordPress)

May 2025 – Present

- Developed Shopify and WordPress websites for e-commerce and business clients.
- Built responsive websites and custom features using HTML, CSS, JavaScript, Liquid, and JSON.
- Developed custom Shopify sections, product pages, sliders, variants, and UI enhancements.

Shopify Developer Team Leader, Addmatrix

May 2024 – May 2025

- Led a development team for Shopify store development and maintenance.
- Managed Figma-to-Shopify conversions, custom themes, and responsive implementations.
- Coordinated projects, timelines, team tasks, third-party integrations, and custom functionality.

Shopify / WordPress Developer, Axexmedia

Feb 2022 – Apr 2024

- Developed and maintained Shopify and WordPress websites based on client requirements.
- Converted designs into responsive **HTML, CSS, and JavaScript** implementations.
- Customized Shopify themes and WordPress components, plugins, and website functionality.

Website Administrator, Tutoratti

Jul 2019 – Jan 2022

- Managed website content, structure, updates, and ongoing maintenance.
- Tested and debugged website changes to ensure reliable website performance.
- Collaborated with business and technical teams to implement requirements and website improvements.
- Prepared technical documentation and supported website development processes
