

HARSHAL HEMANT DESHMUKH

PERSONAL DETAILS :

- Phone : +91 7030370073
- Email : deshmukhhharshal@gmail.com
- Address : Flat No. 13/14, Saileela Apt, Dhabadi, Ambegaon(Bk), Sinhagad Road, Pune-411 046.

OBJECTIVE :

Creative Developer with 3 years of Shopify experience, specializing in Figma-to-Shopify conversions and delivering high-quality, scalable websites. Skilled in performance monitoring, program revisions, and translating design concepts into user-friendly web experiences. Strong collaborator with excellent critical thinking and organizational abilities.

CORE COMPETENCIES :

- Team Leadership & Mentorship
- Shopify Theme Development
- Figma to Shopify Conversion
- Project Management & Planning
- Performance Optimization
- UX/UI Design Implementation

WORK EXPERIENCE :

Freelance Web Developer (Shopify & WordPress)

May 2025 - Present

- Delivered freelance projects for Shopify and WordPress websites across Ecommerce and business categories.
- Designed and developed responsive, conversion-focused pages aligned with client branding and goals.
- Built reusable website sections and implemented custom front-end features using HTML, CSS, JavaScript, Liquid, and JSON.
- Developed product-focused Shopify pages including variant display improvements, sliders, custom sections, and UI enhancements.

Shopify Developer Team Leader, Addmatrix

May 2024 - May 2025

- Led a development team in building and maintaining Shopify stores, ensuring best practices and coding standards.
- Guided the team through the full development lifecycle, from planning to deployment and support.
- Managed Figma-to-Shopify conversions, ensuring pixel-perfect, responsive themes.
- Collaborated with designers and stakeholders to define project scopes, set timelines, and allocate resources.
- Oversaw third-party app integrations and custom functionalities to enhance Shopify stores.

Shopify / WordPress Developer, Axexmedia

Feb 2022 - April 2024

- Installed required plugins and additional coding to fit final design and functionality requirements.
- Designed and implemented website from initial concept, site architecture and wire frames to finished deliverable.
- Converted design assets into component-based HTML, CSS and JavaScript.
- Leveraged strong understanding of WordPress core to manipulate admin and theme components.
- Collaborated with Job title on project specifications, strategy and execution to build new WordPress pages and update existing ones.

- Collected and responded to user feedback through iterative improvements to site structure and content.
 - Tested and debugged site updates and prevented functional flaws from impacting public visitors.
 - Created consistent structural input format to maintain site continuity by authoring and implementing best-practices for designers and content providers.
 - Completed analysis and design phases of systems development life cycle (SDLC).
 - Collaborated with business development personnel to verify compliance with customer requirements.
 - Prepared technical documentation for communication to site engineers and media designers. Defined standardized criteria for adoption of third-party deliverables within website infrastructure.
 - Researched and implemented site management platforms such as Product or Service, choosing solutions best suited to unique client needs.
-
